Important guidelines for membership and point accumulation below:

1. Points for year-end awards and Youth World qualifying begin to accumulate at the time dues are paid. The 2022-23 show season will start with the December 2022 Go South for the Winner show in Texarkana and will end with the May 2023 Memorial Day show. This applies to year end points and youth world show qualifying.
2. Points will not count toward **OPEN** division Arkansas Quarter Horse Association Year-End Awards unless **HORSE OWNER** is a member of the ArQHA.
3. If a horse is owned by a farm, business, or joint AQHA membership, an individual membership must be purchased under the name of the farm, business, or joint AQHA membership for points to count in the **OPEN** division. This applies even if the owners of the farm, business, or joint membership have already joined ArQHA.
4. BY-LAW #26B states: "An individual membership shall be required of anyone 21 years of age or children who are married and/or divorced. This applies even if the individual is residing in the home of his or her parents

DUES:

\$25 per year for individual membership

\$30 per year for family membership

\$200 for lifetime membership (individual only)
